Summarize the specific details of your project:

(e.g. year completed, number of (residential/commercial) units, use, etc.)

Explain how the nominated project exemplifies any or all of the Smart Growth Principles:

(Please use more pages to complete your answer if necessary)

Create a range of housing opportunities and choices • Create walkable neighborhoods • Encourage community and stakeholder collaboration •

Foster distinctive, attractive communities with a strong sense of place • Make development decisions predictable, fair, and cost effective •

Mix land uses • Preserve open space, farmland, natural beauty, and critical environmental areas • Provide a variety of transportation choices •

Strengthen and direct development towards existing communities • Take advantage of compact building design

Other information pertaining to your nomination (sustainable, green building or environmental preservation features, neighborhood value and support, etc.)

(Please use more pages to complete your answer if necessary)

Statement of Purpose:

On a separate sheet of paper, please describe your proposed beautification project, and addressing the following questions:

- How will this beautification project positively impact the neighborhood in which it's planned, i.e. what are the goals and objectives?
- Are there any negative aspects or opponents to the proposed beautification project?
- Who will serve as community representative for the beautification project?
